REPORT ON REVIEW OF INTERIM SEPARATE FINANCIAL STATEMENTS

To: The shareholders
Banque Pour Le Commerce Extérieur Lao Public

Introduction

We have reviewed the accompanying interim separate financial statements of Banque Pour Le Commerce Extérieur Lao Public ("the Bank") as set out on pages 5 to 39, which comprise the interim separate balance sheet as at 31 March 2013 and the related interim separate income statement, interim separate statement of changes in equity, interim separate statement of cash flow for the three-month period then ended and a summary of significant accounting policies and other explanatory notes.

The preparation and presentation of these interim separate financial statements are the responsibility of the management. Our responsibility is to issue a report on these interim separate financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim separate financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim separate financial statements do not give a true and fair view of, in all material respects, the interim separate financial position of the Bank as at 31 March 2013, its interim separate financial performance and its interim separate cash flows for the three-month period then ended in accordance with the Enterprise Accounting Law of Lao P.D.R. and other relevant accounting regulations as stipulated by Bank of Lao P.D.R.

Other mater

The period from 1 January 2013 to 31 March 2013 is the first period for which the Bank prepares the interim separate financial statements in accordance with the Enterprise Accounting Law of Lao P.D.R. and other relevant accounting regulations stipulated by Bank of Lao P.D.R. Accordingly, the Bank used the audited separate financial statements for the year 2012 as comparative figures and presented them on the interim separate financial statements for reference purposes only.
